How to Apply for a Job at Paragon International University

- Search positions
- Apply to the positions that you are interested by sending your CV/Resume directly to ohr@paragoniu.edu.kh ^[2]

Respond Process

Your resume and application will be carefully reviewed. We will contact you:

- if there is an open position in this area.
- should your skills and experience match our requirements
- and you are shortlisted.

We have a thorough 3-step interview process that is set up as followed:

1. Interview with Supervisor/Director of related department.
2. Interview with Human Resources, completion of application and pre-employment testing.
3. Final Interview and job offer.

If you are not contacted for an interview, please keep in mind that we will keep your resume to be considered for future openings.

If there is an open position, we will

- Respond back to the selected candidates who applied for the position.
- Invite selected candidates who submitted their resumes to apply for the position.
- Publish open position announcement if the position is still open.

Please keep in mind that, Paragon International University review all submissions and respond to the selected ones only.
