

## **Welcome to Paragon International University Human Resources** <sup>[1]</sup>

Paragon International University, founded in 2010, is a private university, located in the capital city, Phnom Penh, Cambodia.

ParagonU ranks among the leaders in quality higher education in the region, attracting students across Cambodia and around the globe. It currently enrolls undergraduate students who pass the English and scientific placement tests in order to follow an English-based, international standard curriculum with world-class scholars.

Students are offered 11 bachelor's degree programs under 3 faculties on the modern campus in the Toul Kok district. The campus serves students with the latest technologically-equipped classrooms, library, laboratories, conference hall, canteen, study rooms, parking lot and multi-purpose areas.

ParagonU promotes the Khmer culture by hosting conferences and workshops in the field and strives hard to improve the standards of higher education in Cambodia. Paragon International University offers a world of opportunity for all Paragon Family members! Start your career at Paragon International University and become a member of our family now.
